For all of your Mean Green Village questions visit MEANGREENSPORTS.COM

Please keep this area clear for the Mean Green March 2 hours prior to kickoff. Join the Green Brigade, Cheerleaders and Dancers as they lead the team on their march to the locker room for final game day preparations.

Please remember that the Mean Green Village is also used for football practice. In an effort to maintain a good practice facility we ask for your help with a few guidelines. Mean Green Village is a ‘No Glass’ and ‘No Driving’ area. Broken glass and tire ruts don’t make for a safe practice facility. Pets are encouraged to stay at home. We also ask for your cooperation in helping keep Mean Green Village free of trash by placing your trash in the appropriate containers. Thanks and Go Mean Green!
