

Tuition and Mandatory Fees

(Fees are Subject to Change)

The amounts shown below are provided to better assist students and parents in assessing the cost of enrolling at the University of North Texas (UNT). While this information is intended to be comprehensive, tuition, fees, room and board are subject to increase or decrease without notice by action of the Texas Legislature and/or the Board of Regents of UNT. Students are responsible for any additional amounts due UNT resulting from post audits and corrections, including all fees and waivers; i.e., registration assessing errors, changing from off-campus to on-campus classes, invalid employment waivers, etc. For current information on tuition and fees, visit the Student Accounting and University Cashiering Services web site (essc.unt.edu/saucls). Student Accounting and University Cashiering Services is open from 8:15 a.m. to 5 p.m. Monday through Friday.

Students are responsible for payment of the following charges.

The UNT Board of Regents has been granted the authority, within established guidelines, to set graduate tuition rates by program.

Graduate tuition for all graduate level courses (5000- and 6000-level courses) at UNT is \$50 per hour above the undergraduate rate.

Please visit the Student Accounting and University Cashiering Services web site (www.unt.edu/tuition) for the most current tuition and fee rates.

Undergraduate Tuition Rates

(Fees are Subject to Change)

Undergraduate students who attempt 30 or more semester credit hours beyond the minimum number of hours required for completion of their degree program may be charged additional tuition amounts. Hours attempted by students who initially enrolled as undergraduates prior to the 1999 Fall Semester are exempt.

Undergraduate students who enroll in the same course more than twice may be charged additional tuition amounts.

Graduate Tuition Rates

(Fees are Subject to Change)

The UNT Board of Regents has been granted the authority, within established guidelines, to set graduate tuition rates by program. Graduate tuition for all graduate-level courses (5000- and 6000-level courses) at UNT is \$50 per hour above the undergraduate rate.

Explanation of Fees

(Fees are Subject to Change)

Visit the Student Accounting and University Cashiering Services web site (www.unt.edu/tuition) for current fees.

Student Service Fees

Student service fees are assessed in proportion to the number of semester credit hours for which a student registers to cover the cost of student services that directly involve or benefit students, including, but not limited to, recreational activities, artist and lecture series, cultural entertainment series, debating and oratorical activities and student government.

Student Union Fee

A fixed student union fee is collected from each enrolled student for the purpose of operating, maintaining, improving and equipping the University Union. Activities financed by the student union fee are limited to those in which the entire student body is eligible to participate.

Technology Use Fee

The technology use fee is collected in proportion to the number of credit hours for which a student registers to defray costs associated with the addition of instructional equipment in classrooms and student computer laboratories, development of the degree audit system and instruction-related activities in the Computing Center.

Library Use Fee

The library use fee is collected in proportion to the number of credit hours for which a student registers to support the development and maintenance of library collections and to provide expanded operating hours and other services to meet student needs.

Medical Services Fee

The fixed medical services fee is used solely to provide medical services to students enrolled at the university.

International Education Fee

A fixed international education fee is collected from each enrolled student to be used in support of an international education financial aid fund. This fund allows an equal opportunity for all students to participate in student exchange and study abroad programs.

Publication Fee

A fixed publication fee is collected from each enrolled student to defray costs associated with publication and distribution of schedules of classes, catalogs and other publications available to all students.

Recreational Facility Fee

A fixed recreational facility fee is collected from each enrolled student for the purpose of constructing and operating the Recreational Facility on campus.

Transportation Fee

The transportation fee supports the shuttle bus system that transports students to, and around, various locations on campus.

Undergraduate Advising Fee

The undergraduate advising fee supports the advising process for undergraduate students.

International Student Fee

A fixed international student fee is charged to all non-immigrant visa students for each term in which they enroll in UNT. The fee is billed with tuition and other fees and is in addition to totals listed above.

Property Damage Deposit

Each student who enrolls pays a property damage deposit that is refundable upon final withdrawal or graduation. If the deposit has not been refunded to the student within four years of the last enrollment, it will be forfeited as specified by state law. Refund request forms are available in Student Accounting and University Cashiering Services.

Fees Related to Instruction

Instructional fees fall into three fee categories: course fees, laboratory fees and special service fees. Please note that for billing purposes, these fee categories are grouped together and billed as one instructional fee.

Instructional fees are due at the time of registration or the payment deadline for early registered students. These fees are refundable according to the university refund policy. If a student desires to know what portion of an instructional fee falls into each category listed below, they may contact Student Accounting and University Cashiering Services at (940) 565-3225.

Course Fees

Course fees are charged to cover consumable supplies, syllabi, tests, salaries and wages of employees who assist in the preparation, distribution and supply of classroom materials and some equipment purchases related directly to student participation in the classroom or laboratory. Course fees can, in some instances, save students money by bulk purchasing of goods and services. These fees are set at the minimum cost of services that all students in the department or division receive.

Laboratory Fees

Laboratory fees are only applicable to courses that require students to register for a laboratory section. Laboratory fees are collected to cover the cost of materials and supplies used by students in the laboratory. The laboratory fee may not be less than \$2 nor more than \$30 for any one term/semester or summer session.

Special Service Fees

Special service fees are collected to help offset the cost of materials and services a student is eligible to receive while enrolled in a course. These fees are directly related to classroom, laboratory or practicum activity and may cover the wages of employees who assist in the instructional process such as models, tutors, proctors or laboratory assistants.

The chart below shows the typical breakdown of course fees charged by UNT. Fees are subject to change. Visit www.unt.edu/tuition for current fee information.

Admission Application Fee

All applicants new to the University of North Texas must pay a \$40 (U.S. residents and permanent resident aliens) or \$75 (all others, i.e., international students) non-refundable admission application fee. The fee must be paid in U.S. dollars.

Option to Pay Tuition by Installment

The Texas Legislature has the authority to modify or eliminate installment payment of tuition at each regular or called legislative session.

UNT provides for the payment of tuition and fees during the fall and spring terms/semesters through the following alternatives:

1. full payment of tuition and fees upon registration or by the payment deadline for early registration; or
 2. one-half payment of tuition and fees upon registration, or by the payment deadline for early registration, with separate one-fourth payments prior to the start of the sixth and 11th class weeks.
- Note:** All course-related or optional fees are paid with the initial installment payment.

Tuition and fees must be paid in full for each summer term upon registration or by the payment deadline for early registration. Tuition payment by installment is not offered during the summer.

Non-Refundable Fee for Tuition by Installment

Handling fee: \$15.00 (subject to increase beginning Fall 2007)

Note: All instructional fees and optional fees are paid with the initial installment payment including the non-refundable handling fee of \$15.00. Students who choose the installment plan option recognize they are in a contractual relationship and accept the terms of the installment plan contract.

A student who fails to make payment of tuition and fees (including any incidental fees) by the due date may be prohibited from registering for classes until full payment is made. A student who fails to

make payment prior to the end of the term/semester may be denied credit for the work done that term/semester.

See *Schedule of Classes* for procedures and policies concerning installment payment of tuition.

Tuition and Fee Payments

Credit card payments (MasterCard, Visa, American Express and Discover) and check payments may be made through self-service at my.unt.edu. Tuition and fee payments also may be made by personal check, money order, cashier's check, or cash. Student Accounting and University Cashiering Services requires the student identification number to be recorded on all check and money order payments made in person.

Bills are not mailed for registration. Account balances and schedule information may be obtained through self-service at my.unt.edu.

Cash Payments

Cash payments are accepted only at Student Accounting and University Cashiering Services in the Eagle Student Services Center. Please do not mail cash payments.

Tuition and Fee Policies

Tuition covers undergraduate and graduate work. It and the various fees provide limited health services and admission to university-sponsored fine arts and athletic events. Instructional fees, materials fees and private instruction fees are additional. Students must purchase their own textbooks and supplies.

Fees charged for late registration, duplication of records, graduation and regalia, late filing for graduation, replacement diplomas and miscellaneous items are noted at www.unt.edu/tuition.

Tuition Charged for Excess and Repeated Credit Hours

Undergraduate students who attempt 30 or more semester credit hours beyond the minimum number of hours required for completion of their degree program may be charged additional tuition amounts. Students initially enrolled prior to the 1999 Fall Semester are exempt.

Undergraduate students who enroll in the same course more than twice may be charged additional tuition amounts.

Residency Regulations for Tuition Purposes

Rules and regulations for determining residence status are specified under Title 3 of the Texas Education Code and are available at the Texas Higher Education Coordinating Board, College For Texans web site at www.collegefortexans.com. In general, students must domicile and physically reside in Texas for the 12-month period immediately preceding

their initial registration in an educational institution in Texas. Other factors may be considered for residency determination for tuition.

Students who are not legal residents of Texas must pay nonresident tuition, including the statutory tuition charges and standard university fees approved by the Board of Regents. Admission requirements for nonresidents are the same as for resident students.

Certain residency exceptions do not affect actual residency status but do allow for a nonresident tuition exemption. Refer to “Tuition and Fee Waivers” in this section for further information.

Responsibility of the Student

The student is responsible for knowing residence status and for registering under the proper status. Any questions concerning residence must be discussed with the proper authority in the Office of Admissions and/or Registrar’s Office prior to registration.

Any student erroneously classified as a resident will be reclassified and required to pay all out-of-state tuition due. Attempts to evade nonresident fees may subject the student to the statute penalty and to possible disciplinary action.

Change of Status Nonresident to Resident

A student who is at any time classified as a nonresident retains nonresident status until reclassification as a resident is applied for and officially approved by the Registrar.

Change of Status Resident to Nonresident

Students who are classified as residents but become nonresidents by virtue of any change of domicile must notify the Registrar of such change immediately. Students who believe they have been erroneously classified have the opportunity for appeal. The appeal is to be made to the authority by whom the original classification was assigned, either in the Office of Admissions or Registrar’s Office.

Tuition and Fee Waivers

Tuition and Fee Refunds

A student who drops a course or withdraws from the university within certain time periods may be entitled to a partial refund of tuition and fees. These refunds are calculated according to the category and time schedule listed below. Delinquent payment fees, late registration charges, publication fees and installment handling fees are non-refundable. Any financial obligation to UNT must be resolved before any refunds will be made.

Class Drop Refunds

Refunds are made for any course dropped through the 12th class day for the long semester. Corresponding dates are set for summer terms/sessions. See the *Academic Calendar* for specific dates. The semester's first class day is always the first official university day of classes and not the first day of an individual's class.

Refunds for dropped classes are processed after the midsemester. **Note:** If all classes for the semester are dropped, see "Schedule of Withdrawal Refunds" in this section.

Students applying for financial aid are required to notify Student Financial Aid and Scholarships before dropping any class to learn how it will affect current or future financial aid eligibility.

Withdrawal from the University

Withdrawal refunds are determined by the number of enrolled semester credit hours at the time of withdrawal. Withdrawal percentages are applied to the total amount of tuition and fees as prescribed

by state law, not the amount paid. The withdrawal schedule and percentages of refund shown below pertain to total withdrawal from the term/semester and are mandated by the state legislature. The term/semester's first class day is always the first official university day of classes and not the first day the individual attends class. A withdrawal refund is based on the day of withdrawal, regardless of the date the class first meets.

Additional information may be found at www.unt.edu/tuition or by contacting Student Accounting and University Cashiering Services.

The withdrawal schedule and percentage of a pro-rata refund pertain to total withdrawal from the term/semester and are mandated by federal law. Please contact Student Financial Aid and Scholarships regarding pro-rata refund schedules and percentages.

A student who does not return to the university because of graduation or withdrawal from school will receive a refund of the property damage deposit. If not claimed within four years after the last enrollment date, the deposit is forfeited as specified by state law. Tuition Rebates for Certain Undergraduates

Section 54.0065 of the Texas Education Code provides up to a \$1,000 tuition rebate to students. To be eligible for a rebate under this program, a student must:

1. have enrolled for the first time in an institution of higher education in the Fall 1997 semester or later;

2. request a rebate for course work related to a first baccalaureate degree received from a general academic teaching institution;

3. have been a resident of Texas and have been entitled to pay resident tuition at all times while pursuing the degree;

4. if enrolled for the first time in Fall 2005 or later, graduate within four calendar years for a four-year degree or within five calendar years for a five-year degree if the degree is in a program determined by the Texas Higher Education Coordinating Board to require more than four years to complete; and

5. have attempted no more than 3 hours in excess of the minimum number of semester credit hours required to complete the degree under the catalog under which the student will graduate.

Hours attempted include transfer credits, course credit earned exclusively by examination (except that, for the purpose of this program, only the number of semester credit hours earned exclusively by examination in excess of 9 semester credit hours is treated as hours attempted), courses dropped after the official census date, for-credit developmental courses, optional internship and cooperative education courses and repeated courses. Courses dropped for reasons that are determined by the institution to be totally beyond the control of the student shall not be counted.

For students concurrently earning a baccalaureate degree and a Texas teaching certificate, required teacher education courses shall not be counted to the extent that they are over and above the free electives allowed in the baccalaureate degree program.

Any student with more than 3 hours of F, W, WF, NP or I is ineligible to receive the \$1,000 tuition rebate.

Effective for students who enroll for the first time in Fall 2005 or later, an otherwise eligible student may be eligible for a tuition rebate without satisfying the requirements of item 4 above if the student is awarded a baccalaureate degree and the institution determines that the student's failure to comply was caused by a demonstrated hardship condition.

For additional information concerning tuition rebates, contact the Registrar's Office or your academic adviser.

General Financial Policies

UNT is a state-assisted institution subject to state laws. Extension of credit is prohibited and all financial obligations to the university must be paid when due. Tuition, fees, and room and board are subject to change by action of the Texas Legislature or the Board of Regents of UNT.

Correction of Errors

Students are responsible for any additional amounts due UNT resulting from auditing and correction of records after registration fees have been paid including all registration assessment errors, change from off-campus to on-campus classes, invalid employment waivers, etc.

Payments by Third Party

Checks issued by a third party in payment of a student's tuition, fees or other charges made by UNT should be made payable to the student rather than solely to the university or jointly to the student and UNT. Arrangements may be made with Student Financial Aid and Scholarships in cases where cash amounts should not be made available to the student.

Returned Checks

A returned check is defined as any check, similar sight order or electronic bank draft returned to the university unpaid due to no fault of the bank or the university.

Upon receipt of a returned check, notification is mailed to the issuing party or the individual in whose behalf the check was issued. The address on the check and/or the address in the official university records is used. The check is payable on or before 10 working days from the date of the notice. Only cash, cashier's check or money order is accepted for payment of the returned check and service charge (\$25 per check).

A student may be withdrawn immediately from the university if payment is not made within the stated time period. DO NOT, however, stop attending classes unless you receive official notification of your withdrawal. Notification of withdrawal is made to the address on the check and/or the address in the official university records.

After the check and service charge are paid in full, a student may request reinstatement. This process must be initiated in person within five days from the date of withdrawal, and a \$40 reinstatement fee is charged. A student may not be reinstated more than once per academic year.

An appeal is possible if the student believes the university has prejudicially applied this return check policy. Notice of such intention must be given in writing to the Dean of Students Office within five days of the withdrawal date.

Check-issuing privileges are suspended while any returned check and/or service charge are outstanding.

If the university receives three or more returned checks during an academic year, the check-issuing privileges of the individual are revoked.

If all attempts to collect a returned check have failed, civil or criminal legal action may be taken in accordance with Texas state law (Sections 31.06 and 32.41 of the Texas Penal Code).

Stop-Payment on Tuition Checks

A student who has not already done so will be withdrawn from UNT on the date the returned stop-payment check is received by UNT. A returned check service charge (\$25 per check) will be assessed. Tuition refund charges are computed by normal refund policy.

If a student wishes to be withdrawn, the Registrar's Office should always be contacted as soon as possible.

Financial Aid

UNT provides several methods of assisting students in financing their education. Applications and complete descriptions of all programs, requirements and qualifications are available at Student Financial Aid and Scholarships, Eagle Student Services Center, or call (877) 881-1014.

Application Period and Deadlines

The application period begins January 1 of each year for the following academic year (fall, spring, summer). The Free Application for Federal Student Aid (FAFSA) or Renewal Application is available each January for the upcoming academic year and should be completed as early as possible. Students may apply online at www.fafsa.ed.gov. Students whose application files are completed by the priority dates are ensured first consideration for awards. Application data is received electronically from the Central Processing System (Federal Student Aid Programs) through which applications are processed. It includes the data from the FAFSA or Renewal Application. The application data must reach our office before a file can be processed.

Priority Dates:

- Fall/spring term/semester: April 15
- Spring term/semester only: August 15
- Summer term: February 15

A separate UNT summer application must be completed for summer financial aid. This application is available online (my.unt.edu) in February for the following summer term. The FAFSA for the year preceding the summer is also required.

General Eligibility Requirements

Before any assistance is granted (Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal Work-Study, Federal Perkins Loan or loans from the Federal Stafford Loan Program), general eligibility and program requirements

must be met. To be eligible for financial aid you must:

1. establish eligibility by completing and filing the Free Application for Federal Student Aid (FAFSA) or Renewal Application;
2. not be in default on any Title IV loan (Federal Perkins or Federal Stafford), or owe a refund or repayment on educational funds received at any institution;
3. be a U.S. citizen or eligible noncitizen;
4. be registered with the Selective Service if you are a male at least 18 years old born after December 31, 1959 (most males between the ages of 18 and 25, including permanent residents and other eligible noncitizens, are required to register with Selective Service);
5. enroll in and maintain at least a half-time class load for most programs;
6. use all funds received through financial aid for educational purposes;
7. be accepted for admission by the university and enrolled in a degree program;
8. be making satisfactory academic progress;
9. have a valid Social Security Number; and
10. have a high school diploma or a GED (general equivalency diploma).

Note: Transient students and summer visiting students are not eligible for financial aid.

Special Conditions for Financial Aid Applicants

1. Students who withdraw from all classes must first go to the UNT Registrar's Office, and then proceed to Student Financial Aid and Scholarships for official clearance before leaving the university.
2. Refunds and Repayments. If you officially withdraw, cease attendance, or are administratively withdrawn from UNT, any refund of tuition and fees and other university charges will be assessed for return to programs from which you (or your parents if they received a Federal Parent Loan) were originally paid. An additional "repayment" calculation will be performed to determine if you must repay a portion of the assistance paid directly to you for living expenses.

Student Financial Aid and Scholarships personnel will apply the federally mandated formula for the return of financial aid funds. Funds will be returned to the programs from which the money was paid to you in the following order:

- Federal Stafford Loan Program
- Federal Perkins Loan Program
- Federal Parent Loan Program (PLUS)
- Federal Pell Grant Program
- Federal Supplemental Educational Opportunity Grant Program
- Other Title IV Programs

- Other Federal, State, Private or Institutional Student Aid

In addition, it is possible you will owe a repayment of unearned financial aid funds if you cease enrollment prior to the 60 percent completion point of any enrollment period for which you received financial aid funds. The completion point is based on the total number of class days in an enrollment period.

3. Official transcripts are not issued to any student who has an unpaid account or owes a defaulted federal student loan received from any university.
4. Federal and state regulations require that each student must maintain satisfactory academic progress to be eligible for financial aid programs. Minimum standards must be achieved by the end of any given enrollment period at UNT. Satisfactory academic progress is defined in both quantitative and qualitative measures. The quantitative measure requires an undergraduate to:
 - a. complete all course degree requirements within a maximum of 186 semester credit hours of enrollment; and
 - b. complete a minimum number of hours by the end of each academic year based on each student's registered hours.

Using the following chart to determine the number of hours that must be completed, the student should locate the total number of registered hours. The student must then complete, pass and earn credit in the number of hours listed below.

Number of current registered hours	Minimum number of current earned hours and pass/no pass hours
1	1
2	2
3–5	3
6–11	6
12–15	9
16–19	12
20–23	15
24+	18

Undergraduate Fall/Spring	Undergraduate Summer
Full-time (12 or more hours)	12 or more hours
3/4-time (9–11 hours)	9–11 hours
1/2-time (6–8 hours)	6–8 hours

All academic requirements are effective whether or not financial aid has ever been applied for or received. For students not meeting satisfactory academic progress at the end of an enrollment period,

the academic progress will be reevaluated at the end of the next term/semester attended at UNT to determine student eligibility for financial aid.

The qualitative measure requires an undergraduate to maintain the minimum cumulative UNT grade point average of 2.0.

Students in an academic program under the undergraduate career (major or concentration) are required to enroll in at least 6 undergraduate hours per term to be considered for financial aid.

Financial aid recipients must notify Student Financial Aid and Scholarships before dropping courses or withdrawing from the university. Current award year or future aid eligibility may be affected. Enrollment hours for loan deferment and financial aid eligibility may differ from those published in this catalog. Also see “Enrollment Certification” in the Enrollment section of this catalog.

You may review additional and specific financial aid and scholarship information at essc.unt.edu/finaid.

Scholarships

UNT offers a variety of competitive scholarships. Awards are open for competition on a university-wide basis. Contact individual colleges, schools or departments for subject-specific scholarships.

Scholarships are awarded on the basis of a student’s academic qualifications. Generally, UNT scholarships range in value from \$200 to \$5,000. The most prestigious is the Board of Regents Excellence scholarship for \$5,000 per year. This award is renewable for three years based on continued academic performance. Out-of-state and international students who are recipients of university competitive academic scholarships in the amount of \$1,000 or more may also receive a waiver of out-of-state tuition.

Applications for general academic scholarships and most special scholarships are available through essc.unt.edu/finaid. Some special scholarship applications can be found in the Scholarship Library located on the second level of the Eagle Student Services Center in Student Financial Aid and Scholarships. Applications received by March 1 will be given first consideration for the upcoming academic year. Application forms for departmental scholarships as well as deadline information are available from the individual departments and schools of the university.
