## Introduction

The department offers a major in applied behavior analysis and a minor in behavior analysis for students interested in learning to apply behavioral principles to produce positive change in individual behavior and social systems.

The department promotes a humanistic application of behavioral principles through consultation with area agencies and institutions. The department offers students experience in laboratory and applied research and practical experience in the application of behavior technology.

## Programs of Study

The department offers degree programs in the following areas:

- Bachelor of Science with a major in applied behavior analysis, and
- Master of Science with a major in behavior analysis.

## Bachelor of Science

The Bachelor of Science degree is designed to prepare students for applied behavior analysis work in human services settings.

### Degree Requirements

Candidates for the Bachelor of Science with a major in applied behavior analysis must meet the following requirements.

1. **Hours Required and General/College Requirements:** A minimum of 124 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Science degree as specified in the “General University Requirements” in the Academics section of this catalog and the College of Public Affairs and Community Service requirements.
2. **Major Requirements:** Major of 34 semester hours, including BEHV 2300, 2700, 3440, 3550, 3660, 3770, 4010, 4310, 4400 and 4750.
3. **Minor (optional):** A minor of 18 hours is optional. Minors considered likely to give graduates of the program a competitive edge include, but are not limited to, aging, anthropology, biological sciences, business foundations, chemistry, computer science, criminal justice, emergency administration, health promotion, library and information sciences, rehabilitation, social work and sociology.
4. **Other Course Requirements:** None.
5. **Electives:** Sufficient electives to satisfy the advanced hour requirement and/or the minimum total hours (124) for the degree.
6. **Other Requirements:** Minimum GPA of 2.7 in behavior analysis courses; at least 31 hours must be completed at UNT.
