Musicology										MM		PhD	
Performance	BM									MM		DMA	

Legend:

Degree programs, majors and concentrations under the majors are approved by the Texas Higher Education Coordinating Board.

Only undergraduate-level minors and preprofessional programs are listed.

* Pending approval and/or review by the Texas Higher Education Coordinating Board.

** Students planning to teach in elementary schools must major in interdisciplinary studies in the College of Education. Students planning to teach in secondary schools must earn a major and a degree in the academic discipline in which they plan to teach, and take a minor in secondary education to qualify for a teaching certificate.

*** The university offers preprofessional programs to meet requirements of selected professional schools of medicine, dentistry, nursing, engineering and other fields. The Preprofessional Advisory Committee assists all premedical and pre-dental students with major and minor selection, courses that meet preprofessional requirements, and applications and recommendations to professional schools. (Contact the Office of Student Advising, College of Arts and Sciences.) Students interested in nursing, pharmacy, dental hygiene, podiatry, optometry, chiropractic, all allied health fields, including physicians assistant, physical therapy and occupational therapy, and veterinary medicine should work closely with the academic advisers in the Department of Biological Sciences to determine the courses suggested for admission to each program. Students wishing to pursue a pre-engineering program should consult with the pre-engineering adviser in the Department of Engineering Technology. Students wishing to pursue post-baccalaureate work in seminaries or divinity schools should consult with the chair of the Department of Philosophy and Religion Studies. Although the university does not offer a preprofessional program in law, students may consult with the pre-law adviser in the Department of Political Science.

+ Offered only at the Texas Utilities Electric facility at Comanche Peak.
