Supplemental Information for BA with Majors in French, German or Spanish

1. Students may pursue a major in French, German or Spanish.
2. Students majoring in the department who have no previous high school foreign language admission units must complete one of the departmental course sequences numbered 1010, 1020, 2040 and 2050, plus 24 semester hours of advanced work, including 6 hours in 4000-level courses or above.
3. Foreign language majors should consult with the department for evaluation of foreign language credit earned in high school.
4. Students majoring in a foreign language should take relevant accompanying history and geography courses.

Suggested Minors for BA with Majors in French, German or Spanish

Recommended minors for students majoring in a foreign language are a second foreign language, English, history, business, economics and computer science.

Minor in Foreign Languages and Literatures

Students may pursue minors in French, German, Spanish or Latin. A minor consists of 18 semester hours in one foreign language, including 6 advanced hours.

French Co-op Program

Students majoring or minoring in French have the opportunity to participate in the French Co-op Program:

1. Study in France:
 - summer session at the University of Caen or Nice;
 - semester (fall/spring) at the University of Caen.
2. Exchange programs with paid internships: Institut Universitaire de Technologie of Le Havre.
Contact the departmental office for additional information.

Teacher Certification

Students who expect to teach foreign languages in secondary schools must complete the requirements of the state of Texas for teacher certification as listed by the Department of Teacher Education and Administration in the College of Education section.

Bilingual Education Concentration

Interested students should consult with the Department of Teacher Education and Administration in the College of Education for further information.
