

MARK A. VOSVICK

PERSONAL INFORMATION

1-31-08

Office: University of North Texas
Department of Psychology – Terrill Hall, 369
P.O. Box 311280
Denton, TX 76203

Office: (940) 565-4715
Fax: (940) 565-4682
E-Mail: vosvick@unt.edu

PROFESSIONAL EMPLOYMENT

2002-present	Assistant Professor APA Accredited (clinical) Health Psychology/Behavioral Medicine Program	Dept. of Psychology University of North Texas
2000-2002	Postdoctoral Fellowship (NIMH, National Science Research Award)	Center for AIDS Intervention Research (CAIR) Dept. of Psychiatry & Behavioral Medicine Medical College of Wisconsin
2001-2002	Adjunct Faculty	Carroll College – Milwaukee, WI
2001	Adjunct Faculty	Columbia College of Nursing– Milwaukee, WI
1996-1999	Group Counselor	Dept. of Psychiatry and Behavioral Medicine Stanford University
1996-1997	Clinic Director	Stanford Counseling Institute Stanford University
1995-1997	HIV Counselor	Cowell Student Health Center Stanford University
1993-1994	Crisis Counselor	Fenway Community Health Center Boston, MA
1993	Counselor	Cambridgeport Problem Center Cambridge, MA

EDUCATION

2000	Ph.D. Counseling & Health Psychology (APA Accredited) “Psychosocial Predictors of Quality of Life in an HIV-positive Population.” Major professors: Carl Thoresen, Ph.D. & David Spiegel, MD	Stanford University
1999-2000	Pre-doctoral Internship (APA-Accredited)	University of Southern California
1998-1999	Pre-doctoral Fellowship.	Palo Alto Veterans Administration Dept. of Health Research Development
1992	M.Ed. Counseling Psychology	Harvard University

1984	M.B.A. Finance and Accounting	Vosvick - 2 - Rutgers University
1982	B.A. Russian and East European Studies	Yale University

Supplemental Training

2006	Summer Institute: Sleeping Eating & Physical Activity: A Focus on Health Behavior (NIH Funded – Competitive)	University of Pittsburgh Medical Center Mind-Body Center
2005	Summer Institute: Basic Pathways Linking Behavior & Disease (NIH Funded – Competitive)	University of Pittsburgh Medical Center Mind-Body Center
2004	Biofeedback Training	Sten Corporation Marin County, CA

GRANTS

Intramural

2007-2008	Forgiveness: A Pilot Study of Forgiveness with HIV+ Men	\$5,000
2006-2007	Forgiveness: A Randomized Clinical Pilot Study of HIV+ Women	\$5,000
2005-2006	Growing Up Positive: Adolescent Health and HIV	\$4,920
2003-2004	UNT Supplemental Research Grant	\$645
2003-2004	Complementary and Alternative Medicine Usage in HIV Communities	\$3,500 \$5,000
2003	Junior Faculty Summer Grant for Center Development	
2002-2003	HIV-related Stigma and Health	\$4,000

Extramural

2008	Improving QOL in HIV+ Adults: Project Forgive (PI) <i>submitted</i> to the Society of General Internal Medicine	\$9,950
2002-2003	Psychosocial Determinants of Risky Behavior in HIV Communities University of Texas Southwestern Medical Center Grant	\$8,500
1998	Pre-doctoral Research Grant to Support Dissertation Research National Veterans Administration	\$18,000
1998	Dissertation Research Grant McDaniel Foundation	\$2,000

Unfunded

2007	Project LGBT Health (PI) <i>submitted</i> to The Williams Institute	\$4,850
2006	Project Perdón: Using Forgiveness to Prevent the Spread of HIV/AIDS	\$950,000

	(Co-Investigator) <i>submitted</i> to Centers for Disease Control and Prevention	
2006	HIV/AIDS Related Mental Health Services in Minority Communities (Evaluator) <i>submitted</i> to Health Resources and Services Administration	\$2,564,626
2005	Cruising Within the Digitally Divided: Interventions in Texas Adult Video Arcades (Co-Investigator) <i>submitted</i> to the National Institutes of Health	\$250,000
2005	HIV Prevention in Latino Youth (PI) <i>submitted</i> to William T. Grant Scholars Program	\$300,000

HONORS

2000-2005	National Institutes of Health Loan Repayment Program Award
2006	Nominated for the Minnie Stevens Piper Professor Teaching Award and the L.H. Shelton Excellence in Teaching Award
2003	Special Citation for a Paper awarded by the Society of Behavioral Medicine

TEACHING

Undergraduate Courses

At UNT: Psychosocial Issues in HIV/AIDS (with graduate listing), Quantitative Research Methods, Health Psychology, Personality

At other institutions: Psychological Testing and Assessment, Abnormal Psychology, Personality Theory and Assessment, Introduction to Counseling Methods from a Multicultural Perspective

Graduate Courses

At UNT: Psychotherapy Methods and Behavioral Medicine, Group Psychotherapy for Medically-based Populations, Practicum

At other institutions: Patient Sexual Orientation – Sensitivity in the Medical Clinic, Research Methods and Design, Maladaptive coping and Pain, Theory and Practice of Cognitive Behavioral Therapy, Sexual Orientations and the Patient

RESEARCH

Founder and Director of the Center for Psychosocial Health Research, UNT

Multidisciplinary research center with colleagues from departments of Anthropology, Health Promotion, Sociology, and the UNT Health Sciences Campus, which focuses on primary and secondary HIV prevention from a biopsychosocial model. www.unt.edu/cph.

Postdoctoral research duties included grant writing, research development & design, data analysis and manuscript preparation, providing counseling interventions and clinical consultation.

Predoctoral research training was obtained at:

- Dept of Health Services Research & Development, Palo Alto Veterans Administration
- Dept of Psychiatry, Stanford University Stanford Health Enhancement Project
- Family Therapy Program, Palo Alto Veterans Administration
- National Center for Post-Secondary Improvement, Stanford University

PROFESSIONAL SERVICE
