## ACADEMIC HISTORY

- 2004 - Present      **University of North Texas**  
Graduate student in Clinical Health Psychology and Behavioral  
Medicine Doctoral program
- 2001 - 2004      **Texas Christian University**  
Bachelor of Science in Psychology, Minor in Business
- 1999 - 2001      **Texas A&M University**  
Academic Transfer

## PROFESSIONAL AFFILIATIONS

- 2007 - present      Society of Behavioral Medicine  
2006 - present      Association for Psychological Science – Graduate Student Affiliate  
2005 - present      Texas Psychological Association  
2004 - present      American Psychological Association of Graduate Students

## RESEARCH INTERESTS/ACTIVITIES

Current research interests and activities include primary prevention of chronic illnesses, specifically psychological factors that predispose individuals for risk of acquiring a chronic illness. Interests also include coping mechanisms, depression, stress and quality of life in individuals living with a chronic illness.

## RESEARCH EXPERIENCE

- 2004 - Present      **Cardio Health Lab** – University of North Texas: Volunteer research assistant to Dr. Joseph Doster 2004-present. Project designer and coordinator of “**Psychological Predictors of Cardiovascular Health,**” which examines psychological constructs such as anger, Type D Personality, coping, and quality of life in college students as well as uplifting and stressful imagery in relation to physiological correlates such as EKG and lipid profiles.
- 2004 - Present      **Center for Psychosocial Health** – University of North Texas: [www.unt.edu/cph](http://www.unt.edu/cph). Office manager for the Center for Psychosocial Health and salaried research assistant to Dr. Mark Vosvick from 2004-2006. Volunteer research assistant 2006-present. Project manager of “**Growing Up Positive (GUP),**” which examines psychosocial correlates such as coping, medication management, quality of life, trauma history, stress, and depression in HIV+

adolescents. Psychosocial correlates are assessed through computer automated interviews, as well as facilitated focus groups and individual interviews. Project manager of “**Primary Prevention: College Students’ Sexual Behavior,**” which examined psychological correlates of risky sexual behavior in college students, such as stress, depression, trauma history, attitudes toward STDs, sexuality, condom use and sex-related communication.

2003 - 2004      **Developmental Research Laboratory** – Texas Christian University: [www.drl.tcu.edu](http://www.drl.tcu.edu). Camp counselor at the Hope Connection, a research-based intervention for adopted children who have been abused or neglected. Research assistant for the Developmental Research Lab. Analyzed salivary cortisol of children from the camp under the supervision of Dr. David R. Cross and Dr. Gary Boehm.

2002 - 2004      **Behavioral Neuroscience Laboratory** – Texas Christian University: Participated in an Independent Study under Dr. Gary Boehm. Examined the effects of lipopolysaccharide on various animal learning paradigms.

#### CONFERENCE PRESENTATIONS AND ABSTRACTS

**Martin, Luci A.,** Doster, Joseph A., Critelli, Joseph W., Purdum, Michael, Duff, Amanda, & Scott, Sesalle. *Type D and Anger: Predictors of Cardiovascular Risk in Undergraduates.* Submitted for presentation at the American Psychological Association Annual Convention, Boston, MA, August, 2008.

**Martin, Luci A. & Vosvick, Mark.** *Guilt: One Story Behind Psychological and Sexual Health.* Submitted for presentation at the American Psychological Association Annual Convention, Boston, MA, August, 2008.

**Martin, Luci A. & Vosvick, Mark.** *The Role of Negative Affect, Loneliness, and Positive Affect in Quality of Life.* Accepted for presentation at the Society of Behavioral Medicine Convention, San Diego, CA, March, 2008.

**Martin, Luci A.,** Couvillion, Mary Ann, Doster, Joseph A., Critelli, Joseph W., Burroughs, Ramona D., Schuettler, Darnell, Grover, Lyndsi, Figg, Jonathan A. *Coping Skill Patterns Associated with Type D Personality in a Non-Medical Sample.* Presented at the Association for Psychological Science 19<sup>th</sup> Annual Convention, Washington, D.C., May, 2007.

Couvillion, Mary Ann, **Martin, Luci A.,** Doster, Joseph A., Toledo, J. R., Critelli, Joseph W., Schuettler, Darnell, Burroughs, Ramona D., Michael Purdum. *Differences in Mindfulness abilities in Type D and non-Type D college students.* Presented at the Association for Psychological Science 19<sup>th</sup> Annual Convention, Washington, D.C., May, 2007.

Schuettler, Darnell, Burroughs, Ramona D., Critelli, Joseph W., Doster, Joseph A., Toledo, J. R., **Martin, Luci A.,** Samaniego, Karina, Doster, Meagen R.

- Components of Flourishing: Coping and Mindfulness as Predictors of Well-Being.* Presented at the Association for Psychological Science 19<sup>th</sup> Annual Convention, Washington, D.C., May, 2007.
- Martin, Luci A.** and Vosvick, Mark. *Self-Isolation or distancing: Gender differences in HIV-Related coping and depression.* Presented at the Society of Behavioral Medicine Convention, Washington, D.C., March, 2007.
- Martin, Luci A.,** Vosvick, Mark, and Smith, Nathan. *Gender differences in coping and quality of life in HIV.* Presented at the American Psychological Association Annual Convention, San Francisco, CA, August, 2007.
- Martin, Luci A.,** Vosvick, Mark, Smith, Nathan, and Chng, Chwee-Lye. *Association between HIV-related coping, health distress, energy and cognitive functioning.* Presented at Texas Psychological Association Annual Convention, Poster Presentation, Dallas, TX, November, 2006.
- Martin, Luci A.,** Vosvick, Mark, and Smith, Nathan. *Coping strategies, depression, and perceived stress in HIV+ individuals.* Presented at the American Psychological Association Annual Convention, Poster Presentation, New Orleans, LA, August, 2006.
- Chng, Chwee-Lye, **Martin, Luci A.,** Stephen, Elaine, and Volpone, Sabrina (2005). *Psychosocial factors in sexual risky behavior in college students: A UNT study.* Presented at the SWCHA Annual Meeting, Denton, TX.
- Grover, Lyndsi, M., Doster, Joseph, A., Purdum, Michael B., **Martin, Luci A.,** Toledo, J. R., Moorefield, Renee, Goven, Arthur (2005). *Neuroticism, daily hassles, stress and immune function.* Presented at the Society of Behavioral Medicine Poster Presentation, Boston, MA.
- Purdum, Michael B., Doster, Joseph A., Grover, Lyndsi, M., **Martin, Luci A.,** Toledo, J. R., Moorefield, Renee, Goven, Arthur (2005). *Anger expression, emotionality, and cardiovascular reactivity.* Presented at the Society of Behavioral Medicine Poster Presentation, Boston, MA.
- Martin, L.A.** (2004). *Salivary cortisol levels at home and at a summer camp in a sample of internationally and domestically adopted children.* Poster session presented at the annual convention of the Psi Chi National Honor Society, Fort Worth, TX.
- Sparkman, N.L., **Martin, L.A.,** Calvert, W.S., Boehm, G.W. (2002). *Effects of intraperitoneal lipopolysaccharide on Morris maze performance in year-old and 2 month-old female C57/BL6 mice.* Presented at the Society for Neuroscience Abstracts, Orlando, FL.
- Sparkman, N.L., Calvert, W.S., **Martin, L.A.,** Boehm, G.W. (2003). *Peripheral immune activation alters two-way active avoidance conditioning in female C57BL/6J mice.* Presented at the Psychoneuroimmunology Research Society Abstracts, Amelia Island, FL.

Sparkman, N.L., **Martin, L.A.**, Calvert, W.S., Boehm, G.W. (2005). Effects of intraperitoneal lipopolysaccharide on Morris maze performance in year-old and 2-month-old female C57BL/6J mice. *Behavioural Brain Research*, 159, 145-151.

## GRANTS AND SCHOLARSHIPS

2007, October	Raupe Travel Grant - \$250 awarded
2006, August	APA Student Travel Award - \$300 awarded
2006, August	Graduate Student Travel Grant - \$400 awarded
2006, April	Doster, Joseph A., Critelli, Joseph, <b>Martin, Luci</b> , Grover, Lyndsi and Purdum, Michael. Psychological predictors of cardiovascular risk. <i>Faculty Research Grant</i> - \$5000 not granted
2006	University of North Texas College of Arts and Sciences Summer Tuition Scholarship - \$400 awarded
2005 - 2006	Graduate Academic Scholarship - \$1000 awarded
2004 - 2005	Graduate Academic Scholarship - \$1000 awarded

## TEACHING EXPERIENCE

Teaching Fellow, **Psychological Assessment II**, Graduate Program in Clinical Health Psychology and Behavioral Medicine, University of North Texas, January – May 2008.

Teaching Fellow, **Psychotherapy Methods in Behavioral Medicine**, Graduate Program in Clinical Health Psychology and Behavioral Medicine, University of North Texas, August – December 2007.

Teaching Fellow, **Psychological Assessment II**, Graduate Program in Clinical Health Psychology and Behavioral Medicine, University of North Texas, January – May 2007.

Guest Lecturer, **Living with a Chronic Illness**, Health Psychology, Undergraduate Program, University of North Texas, March 30, 2007.

Guest Lecturer, **Progressive Muscle Relaxation**, Health Psychology, Undergraduate Program, University of North Texas, February 16, 2007.

Teaching Fellow, **Psychotherapy Methods in Behavioral Medicine**, Graduate Program in Clinical Health Psychology and Behavioral Medicine, University of North Texas, August – December 2006.

Seminar Instructor, **Introduction and Application of Questionnaire Development System 2.4**, Center for Psychosocial Health, June 2006.

## COMMITTEES

2007 December – present Association for Psychological Science Student Caucus,  
Online Funding Database Committee

## CLINICAL EXPERIENCE AND TRAINING

- 2007, August – Present **Student Clinician** **University of North Texas**  
The Psychology Clinic  
Supervisor: Dr. Doster  
(940) 565-2670  
Provide treatment that involves biofeedback, heart rate variability training, individual therapy, individual educational sessions, psychodiagnostic assessments, and relaxation training.
- 2007, August – Present **Student Clinician** **University of North Texas**  
Health and Wellness Center  
Supervisor: Dr. Doster  
(940) 565-2670  
Provide treatment that involves biofeedback, heart rate variability training, individual/group therapy, individual educational sessions, psychodiagnostic assessments, and relaxation training.
- 2006, August – 2007, August **Student Clinician** **Clinical Psychologist**  
**G. Dick Miller, Ph.D.**  
Supervisor: Dr. Miller  
(972) 659-1449  
Provide treatment that involves biofeedback, heart rate variability training, individual/group therapy, individual/group educational sessions, psychodiagnostic assessments, and relaxation training.
- 2007, March-2007, April **Student Clinician** **Resource Center of Dallas**  
Supervisor: Dr. Vosvick  
(940) 565-4715  
Participated in a randomized clinical trial as a facilitator of a forgiveness group intervention designed specifically for HIV+ women.
- 2006, June-2006, August **Student Clinician** **Nelson-Tebedo Health Resource Center of Dallas**  
Supervisor: Dr. Simonsen  
(214) 443-7808  
Provided treatment to an HIV+ and HIV- population that involved individual therapy, disease management, test anxiety and relaxation training for a diverse population.

2005, August - 2006, May

**Student Clinician**

**Positive Pain Management**

Supervisor: Dr. Caruso

(972) 276-2222

Provided treatment to a pain population that involved biofeedback, individual/group therapy, individual/group educational sessions, pain, psychodiagnostic, and vocational assessments, and relaxation training.

- 2004, August - 2005, May     **Student Clinician**     **Presbyterian Hospital of Dallas**  
 Supervisor: Dr. Harris  
 (214) 345-7355  
 Pre-practicum in which I observed and assisted in neuro-psychological and psychodiagnostic assessments, intake interviews, and group counseling.
- 2006, August     Attended "Cognitive Therapy for Personality Disorders," CE credits 4, taught by Judith S. Beck, Ph.D. at the 114<sup>th</sup> American Psychological Association Annual Convention, New Orleans, LA.

**PUBLIC SERVICE AND VOLUNTEER WORK**

- 2007, May     Hua, W. and **Martin, L.** *Project Forgive-How Stress Affects HIV+ Women's Behavior.* Presentation at the Enhanced Perinatal Surveillance Meeting, Austin, TX, May 30-31, 2007.
- 2007, March     Society for Behavioral Medicine. Volunteered as student representative at the 2007 Society for Behavioral Medicine Convention.
- 2006, December     **Martin, L.** *Association between HIV-related coping, health distress, energy and cognitive functioning.* Presentation at World AIDS Day, University of North Texas.
- 2006, October     **AIDS Arms LifeWalk:** Acted as co-leader of LifeWalk team. Helped coordinate fundraising efforts, including website design.
- 2006, August     **APAGS Ambassador.** Volunteered as student representative at 2006 Annual Convention of American Psychological Association (APA).
- 2005, December     **Martin, L.,** Stephen, E., and Volpone, S. *Psychosocial Factors in sexual risky behavior in college students: A UNT study.* Presentation at World AIDS Day, University of North Texas.
- 2003 - 2004     **Mental Health Mental Retardation of Tarrant County Affirmative Business Group:** Instructed group-learning sessions including sign language, music, arts and crafts, movement and cooking. The individuals involved in the group sessions were consumers with special needs limiting their ability to perform vocational skills. Sessions were designed to be both entertaining and helpful in acquiring basic daily activity skills.
- 2003     **The Hope Connection:** Volunteered as an undergraduate camp counselor at a summer day camp for special needs adoption children. Worked one-on-one with a child, teaching and modeling social skills, emotion regulation and other appropriate behaviors.

2003

**St. Jude Hospital “Up ‘Til Dawn”**: Team leader. Awarded individual “Top Fundraiser” at Texas Christian University and presented with an award by the children of St. Jude.
