UNT DALLAS[™]
CAMPUS

Campus Security and Crime Awareness

The safety and security of all members of the university community are of paramount concern to the University of North Texas and the UNT Dallas Campus (UNTDC).

Through the teamwork of the university and campus community, UNT consistently strives to be among the safest large college campuses in Texas. We work to achieve this by developing a partnership with students, administrators, faculty, and staff. With a university population of more than 40,000, the UNT campus is reflective of the communities it serves and not immune to societal problems.

Preventing or reducing crime in any community is a tough job. Success in crime prevention and safety at UNT depends in large part on the education and participation of the campus community. The campus community is provided information about safety programs and services, but are advised that they are ultimately responsible for the own security and safety. Each year the university publishes an annual report concerning campus security and crime statistics. This brochure provides information for reporting of crimes, important university policies and procedures, law enforcement authority on campus, and support services for victims of crimes.

It is the policy of UNT to provide an environment conducive to an educational mission; thus any conduct that is prohibited by state, federal, or local law is subject to discipline under the provisions of policies stated in the Student Handbook, University of North Texas Policy Manual, and Faculty Handbook, as appropriate. The university monitors and reports to area law enforcement agencies any illegal conduct of students, faculty, or staff on university premises or off-campus locations. In addition, university officials may refer any evidence of illegal activities to the proper local, state, or federal authorities for review and potential prosecution.

Policy for Preparing the Annual Disclosure of Crime Statistics

The University coordinates the collection and reporting of crime statistics as specified in the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (Clery Act). Each year, the University notifies all enrolled students and employees, via email or campus mail, that they can view the report at: http://www.unt.edu/csrr/campus_policy/crime_security_awareness.html. Copies of this report also may be obtained from the UNT Police Department (UNTPD) or the Office of the Vice President for Student Development. Prospective employees may obtain a copy of this report from Human Resources.

The report is prepared in cooperation with the UNTPD, local law enforcement agencies and the Division of Student Development. Each entity provides current information about its safety and security educational efforts and programs. The University provides annual guidance to employees on campus who are likely to receive reports of criminal activities,

including but not limited to directors, deans, department chairs, and department heads. These “designated campus officials” are asked to immediately inform the UNTPD of reports of certain crimes made to them that might have occurred on university property or on property contiguous to campus. Additionally, a letter is sent annually to designated campus officials requesting information about all reports of certain crimes that have been made to them during the year. The UNTPD follows up on all reports of criminal activity in areas under its jurisdiction. Counseling Department and Student Health and Wellness Center representatives inform their clients of the procedures to report crime to the University Police on a voluntary or confidential basis, should they feel it is in the best interest of the client. A procedure is in place to anonymously capture crime statistics disclosed confidentially during a session with a mental health or medical provider. Reports of criminal activity given to designated campus officials, anonymous reports, and reports of crimes made to local law enforcement agencies are collected and included in the crime report as required by the Clery Act.

Suzanne’s Law

Time is of the essence when a person is missing. The National Child Search Assistance Act now allows police to report missing persons under twenty-one years of age to the National Crime Information Center and begin an investigation as soon as a missing person report is received. If you receive reliable information that a student cannot be located, please call the UNT Police Department immediately at (940) 565-3000.

Access and Security of Campus Facilities

UNT and UNTDC are open campuses and public streets run through the areas. However, access to the campuses and university facilities is controlled by written policy and state law. Only authorized students, faculty, staff, and visitors may enter upon or use university facilities. Unauthorized persons, once identified, are asked to leave the campus. Those persons failing to comply with policy, directives, or state law can be prosecuted for trespassing.

Security of Campus Facilities

University police and/or security officers regularly patrol the grounds and buildings on the UNT and UNTDC campuses. Facilities personnel maintain university facilities with a concern for safety and security. Lighting surveys are conducted on a regular basis to spot any lighting concerns or areas in need of repair. In addition, defective lighting conditions are reported as detected by building service personnel, police, and security officers. The university maintains a Safety Committee that addresses concerns including lighting, risk assessment, etc.

The University of North Texas Police Department conducts security surveys as needed to continually assess facility security needs. Key control is established by university policy

and access to building master keys is restricted. Security alarm systems are managed under the control of the university police department.

A building representative program identifies a person in charge of every university facility. The building representative works in partnership with police, maintenance, risk management, and safety personnel to identify and resolve security and safety issues.

Campus housing provides a range of services and security procedures designed to ensure the reasonable comfort of residents and invited guests. Campus residence halls are supervised by trained staff members who are assisted in their efforts to maintain security by uniformed officers from UNTPD. Services include attention to lighting (including emergency lighting during power failures), locking of all entrances on a regular schedule, security programming (including fire safety drills, tornado drills, and rape awareness programs), installation of viewers in all individual student room doors, UNTPD patrol 24 hours per day and enforcement of the guest escort policy. Entrances to residence halls after hours are accessible only with a student room key.

Campus Law Enforcement

UNTPD jurisdiction includes the main campus, the UNT Health Science Center campus in Fort Worth, and the UNTDC. UNTPD commissioned police officers are empowered by the state and have authority to stop vehicles, make arrests, and enforce all laws throughout Denton, Tarrant, and Dallas Counties. UNTPD has a cooperative arrangement with the Denton Police Department as well as the Denton County Sheriff's office. UNTPD maintains liaison with other local, state, and federal law enforcement agencies in support of campus security and safety efforts.

Safety and Security Programs

Security Escort Services: The police department provides a security escort service for the UNT community. The service is available during the evening/night hours (after dark), but is limited to on-campus locations. Call (940) 565-3000 or use an emergency phone to request an escort.

Emergency Phones: Emergency phones have been placed at strategic locations on the Denton and Dallas campuses. When the emergency button is pushed, the location of the call is automatically identified and the caller is connected to the police department. Locations of the telephones are marked on all parking maps. Individuals with hearing impairments should dial (800) RELAY TX (TTY).

Motorist Assistance: The UNTPD assists the university community when individuals are unable to start their vehicles, retrieve locked keys, etc. Some services are not available at all times, but the UNTPD will assist people to obtain services from another source.

Crime Prevention Programs

Programs designed to make community members aware of campus police and security procedures and crime prevention efforts, and to encourage individual involvement in personal safety are regularly conducted on the UNT campus. Programs are provided each semester and are available through the UNTPD, Dean of Students Office, Human Resources Department, UNT Housing, Student Health and Wellness Center, Counseling and Testing Center, and other departments that coordinate activities on campus. At the UNTDC, programs are available through the Student Development Office. Crime awareness programs are also part of freshman and new employee orientations. Prevention programs include:

- Operation ID
- Rape Aggression Defense (RAD) – self defense training for women only
- Acquaintance Rape
- Safety and Security in the Workplace
- UNT’s Assault on Crime
- Alcohol Abuse and Binge Drinking

Policies and Crime Reporting Procedures

Individuals should immediately report alleged criminal actions (including sex offenses) or emergencies that occur on or off campus of the university through any of the following means:

For Emergencies:

Dial 911 on campus, or any emergency telephone located throughout the campus. Emergencies include any crime in progress, medical emergencies, a person being forced into a vehicle, a strange car repeatedly driving in the same area of campus, any intoxicated person, a safety hazard, or any situation that you believe is suspicious or dangerous. Individuals with hearing impairments should dial (800) RELAY TX (TTY).

For Non-Emergencies:

- call the University of North Texas Police at (940) 565-3003 or personally visit the UNT police station at Sullivant Public Safety Center;
- use a marked emergency telephone in locations throughout the campus (the phones are distinguished by a blue light on a green pole marked Emergency);
- contact an officer in uniform on patrol or at the information booth (located at the intersection of Ave. C and Chestnut);
- request that any campus official assist with reporting the alleged crime.
- TTY callers: (800) RELAY TX

At the UNTDC

- call security at (940) 565-3000;
- used marked emergency call boxes in the center’s parking lots.

Campus Crime Authority

You are encouraged to report alleged crimes by using the above means; however, there are campus officials to whom you may also report a crime who have significant responsibility for student and campus activities, but do not have significant counseling responsibilities. These officials include all deans, directors, department chairs, and administrators at the vice presidential level or higher. For names and numbers of such officials, please use the University Directory or call the university operator at (940) 565-2000.

The UNTPD will review reports of alleged criminal activity and either send an officer immediately or refer the report for subsequent investigation, depending upon the nature and seriousness of the offense involved. Individuals reporting an alleged crime should attempt to preserve evidence that might prove the crime was committed. All criminal incidents are investigated by UNTPD. UNTPD response(s) include, but are not limited to:

- immediate response to emergencies through dispatch of one or more officers;
- investigation of reports in accordance with UNTPD procedures;
- arrest and filing of charges, depending upon the circumstances of the incident;
- referring alleged offenders to appropriate campus agencies, such as the Center for Student Rights and Responsibilities; and
- making timely warning and reports of crimes that represent a continuing threat to students and employees.

Timely Warnings

UNT and UNTDC provide timely warning to the campus community by posting crime awareness alerts when a crime is considered to represent a continuing threat to students or employees. Based on the circumstances of the crime alert, bulletins are sent to campus and local newspapers, posted on campus bulletin boards or other appropriate locations, sent out on campus e-mail, and distributed in residence halls.

Crime Stoppers

Anyone with information on criminal activity can call **(940) 369-TIPS (8477)** and will receive a cash award if the tip leads to the arrest and indictment of the criminal offender. The cash award comes from the Denton County Crime Stoppers, a non-profit organization. You may remain anonymous when you report your crime tip. **Students and employees are urged to use this reporting option when anonymity is a primary concern, e.g. drug usage of acquaintances.**

Off-campus Criminal Activity

University police jurisdiction includes off-campus properties owned or controlled by registered student organizations. Regular UNTPD contact with the Denton Police Department aids in the coordination of the activities of the two agencies. The Denton Police Department provides UNTPD information about criminal activity at off campus properties owned or controlled by registered student organizations.

Sex Offenses

Victims of sexual assault that have occurred on campus, should notify the UNTPD or UNTDC security immediately. Victims may seek assistance of other campus personnel such as residence hall personnel or counselors, or staff from the Center for Student Rights and Responsibilities to assist in reporting a sexual assault to the police department. If the assault occurred outside of the UNT campus, call the local police department where the assault occurred.

Following the assault, in order to preserve evidence necessary for the proof of criminal sexual assault, victims should not bathe, douche, or change clothes. After reporting the assault to police, victims should go to a hospital emergency room for a sexual assault examination. Victims may choose to have someone take them to the hospital or a police officer can meet them at their location to provide transportation. The police officer will need to obtain a statement describing the details of the assault.

A counselor from the Denton County or Dallas Rape Crisis centers will be contacted to meet with victims at the hospital. The counselor will talk with victims and inform them of their options involving counseling. Counseling and Testing offers professional counseling to sexual assault victims. Off-campus counseling options include:

Denton County MHMR Crisis Hotline (940) 387-5555
or (800) 762-0157

Family Violence Shelter
(Denton County Friends of the Family) (940) 382-7273

Denton (940) 382-7273
Ft. Worth (817) 927-2737

Family Violence (Genesis Women's Center) (214) 942-2998

The sexual assault victim may choose a pseudonym (fictitious name) and address to maintain the confidentiality or a pseudonym will be assigned at the request of the victim. If the victim presses charges, the UNTPD will conduct a thorough investigation. There is a possibility that some courtroom testimony may be required if the case goes to trial.

The university provides assistance in changing academic schedules and on-campus living situations after an alleged sexual offense if so requested by the victim and if accommodations are reasonably available. Arrangements for changes in academic schedules can be made by contacting the Center for Student Rights and Responsibilities. Arrangements for changes in (or moving to) on-campus living accommodations should be made through the Department of Housing. Other assistance is available from these departments:

Counseling and Testing Center: confidential counseling or individual and group therapy (940) 565-2741

Student Health and Wellness Center: medical services related to injuries, post-sexual assault, sexually transmitted diseases and pregnancy testing, and referrals to appropriate community services (940) 565-2333

UNTDC Student Development Office: confidential counseling, information and referral (972) 780-3632

Policies and procedures regarding campus disciplinary proceedings are described in UNT Undergraduate and Graduate Catalogs, the Student Handbook, and on UNT's website at www.unt.edu. The accused and the accuser are entitled to the same opportunities to have others present during a campus disciplinary proceeding and both will be informed of the outcome of such proceedings. Sanctions range from probation to permanent expulsion.

Information regarding registered sex offenders in Denton and Dallas counties may be obtained by contacting the Denton County Sheriff's Office and the Dallas Police Department or by going to <http://sheriff.dentoncounty.com> or <http://www.dallaspolice.net/sexoffendersrequest.htm>. For statewide information contact the Texas Department of Public Safety or go to <http://records.txdps.state.tx.us/>.

Alcohol and Drug Policies and Penalties

The abuse of alcohol and other drugs by members of the university community is incompatible with the goals of our academic institution. Substance abuse programs have been developed at UNT in order to ensure alcohol and other drugs do not interfere with the goals of the student or staff member. These programs offered at UNT are designed to:

- publish and enforce policies for employees and students that promote an educational environment free from the abuse of alcohol, illicit or other drugs;
- educate the campus community about the health risks associated with the abuse of alcohol and other drugs;

- provide confidential, effective assistance to students and employees who seek help for substance abuse problems; and
- create a campus environment that promotes and reinforces healthy lifestyles and responsible decision making.

Alcohol Policies

The legal drinking age in Texas is 21. Because a large percentage of UNT students are not of legal drinking age, the university has established specific policies for drinking on campus:

- Individuals under the age of 21 may not use or possess alcoholic beverages in or on any property under the control or jurisdiction of the University of North Texas.
- Alcoholic beverages may not be served, consumed or possessed by persons of legal drinking age in or on any property under the control or jurisdiction of the university except at specific locations, time, and under conditions designated by the university.
- On-campus possession of open containers and consumption of beer, wine and/or distilled spirits by individuals of legal age is prohibited in all public areas of university owned or controlled facilities and grounds except for those specifically designated by the Policy on Alcoholic Beverages or those specifically approved on a per-event basis.
- Employees may not use or possess alcoholic beverages while on active duty and are prohibited from working while intoxicated.

In regard to alcohol, Section B.7. of the *Code of Student Conduct and Discipline* states “use, possession or distribution of alcoholic beverages except as expressly permitted by law and university regulations, or public intoxication” is not permitted.

Drugs and Inhalants

- Students and employees may not use, possess, sell, manufacture, or distribute illegal drugs, inhalants, or controlled substances (narcotics or dangerous drugs), be in possession of drug paraphernalia, or misuse any legal drug or other substance in or on university owned or controlled property or as a part of any university sponsored activity.
- Employees may not work under the influence of illicit drugs and may not abuse legal drugs or inhalants.

The University of North Texas has a policy prohibiting drugs and the illegal use of alcohol. Section B.6. of the *Code of Student Conduct and Discipline* states: “illegal use, possession, sale, manufacture, distribution or effective control of chemical precursors, controlled substances, controlled substance analogues or dangerous or illegal drugs; misuse of a legal drug or other substance, which when not used in accordance with legal intent could cause harm to the user; possession of drug paraphernalia; or being a party to the above, whether on or off campus” is not permitted.

Penalties

Students. Penalties that may be imposed for conduct related to the unlawful use, possession, or distribution of drugs or alcohol are: probation (both conduct or disciplinary), payment for damage to or misappropriation of property, loss of rights and privileges, suspension for a specified period of time, expulsion, or such other penalty as may be deemed appropriate under the circumstances.

Employees. The unlawful use, possession, or distribution of drugs or alcohol, or engaging in conduct prohibited by university policy regarding the manufacture, sale, possession, distribution, or use of alcohol or illegal drugs will result in penalties that range from mandatory counseling to dismissal. Continued employment/re-employment may also be contingent upon participation in or successful completion of university approved drug/alcohol counseling and rehabilitation programs. Information regarding alcohol and drug violations can be found in the *University of North Texas Policy Manual*, Volume I, Sections 1.2.10 and 1.2.12. The “UNT Policy on the Use of Alcoholic Beverages” can be found in the *University of North Texas Policy Manual*, Volume II, Section 10.14.

The use or possession of alcohol or drugs by an employee on university premises (except as authorized by the university) is defined as misconduct by the University of North Texas System’s “Policies and Procedures for Discipline and Dismissal of Employees.” The unlawful use, possession, or distribution of illicit drugs or alcohol by an employee is prohibited by the University of North Texas System’s “Policy on Drugs and Alcohol.”

Individual students, employees and organizations violating university policies or engaging in conduct that is prohibited by state, federal, or local law are subject to discipline under the provisions of policies stated in the *Code of Student Conduct and Discipline*, the *Faculty Handbook*, and the *University of North Texas Policy Manual*, as applicable. In addition, university officials may refer any evidence of illegal activities to the proper local, state, or federal authorities for review and potential prosecution.

Alcohol and Drug Counseling and Treatment Resources

UNT has implemented a positive program of drug education, counseling, prevention, and treatment. The Substance Abuse Resource Center, located in the Student Health and Wellness Center, is available to all students. Self referrals, supervisory and departmental referrals, and consultations are welcomed. Through licensed, certified alcohol, drug abuse, and general counselors, confidentiality is strictly observed to the limit of the law. The following are components of this campus-wide approach to eliminate the abuse of alcohol and the use of illegal drugs:

- assessment/diagnosis/follow-up services
- referrals and resource information
- individual therapy
- group therapy
- departmental consultation

- speakers, presentations, and training
- research, materials, pamphlets, and tapes
- sponsorship of student groups, and
- clearinghouse for alcohol and other drug information on a local, state and national level

In addition to Substance Abuse Resource Center, EAP (Employee Assistance Program) is provided through the UNT Human Resources Department to assist employees and their families with personal problems by referral to agencies, facilities, or individuals that may best be able to meet their needs. To contact the EAP coordinator, call (800) 343-3822.

Every student and staff member should read and become familiar with the policies on alcohol and other drugs that are discussed in the *UNT Student Handbook* and *University of North Texas Policy Manual*. The *Faculty Handbook* and the *ABCs for Residential Living* (generated by the Department of Housing) further address policies for which faculty and students are responsible. In addition, more information is available on the health risks associated with drugs in the Substance Abuse Resource Center and Student Health and Wellness Center. A brochure, *Illegal Drugs and Alcohol Abuse*, is also distributed through the Human Resources Department.

The Drug-Free Schools and Communities Act, Public Law 101-226, is intended to combat substance abuse on college campuses through methods of punishment, rehabilitation, and prevention. This act requires that colleges certify that annual alcohol and drug information is distributed to each employee and student. This information must include the consequences of unlawful drug or alcohol possession, as well as information about available drug and alcohol counseling.
