

Resolution Regarding Continuous Operation of Ombuds Office

Whereas UNT policy Manual 15.1.34 provides that UNT shall have an ombudsperson, and

Whereas the ombudsperson is essential to the good operation of the University and well-being of its faculty, and

Whereas the failure to have an ombudsperson upon the completion of Gene Wright's term will be in breach of said policy, and will be to the great detriment of faculty interests;

Therefore, the University of North Texas Faculty Senate hereby resolves and strongly recommends that an expedited process for the extension of the current ombudsperson's term on an interim basis, or the appointment of an interim ombudsperson, SHOULD be completed at the earliest possible date;

And further be it resolved that the Office of Ombudsperson should not be allowed to fall vacant.
