ELIGIBILITY

1. Any male or female student currently enrolled in the University with an active Pohl Recreation Center Membership is eligible to participate. Faculty and Staff who are members of the Pohl Recreation Center are also eligible to participate. You must have your ID with you to be eligible to play.
2. Individuals may play on one single sex team. A player must finish the season with the same team that they started the season with. For instance, if you play on a Men's A team, you can't play on another Men's A team or any other men's team at all.
3. Each participant is responsible for knowing all the information in the Recreational Sports Calendar for Intramural participation. This information is available on the Recreational Sports website, the Recreational Sports Calendar, or in Pohl Recreation Center 103.

ENTRY PROCEDURES

1. Rosters and entry fees are due in the Recreational Sports office, located in the Pohl Recreation Center room 103 by 5:00 PM on **Tuesday, November 24**. The entry fee for each team must accompany the entry form in order for the team to be accepted. Captains are required to attend the captains meeting on **Tuesday, November 24** at 5:30 PM. The purpose of this meeting is to distribute schedules and discuss any necessary rules.
2. Rosters are unlimited. Teams may carry as many members as they like, but awards are limited to eight (8) per team.
3. Teams need to list a captain and an alternate captain. These two people should not live in the same house, have the same phone number, or be the same person. The alternate captain is just another way for the Recreational Sports office to contact a team if the need should arise. It is very important that the information on the captain and the alternate captain be as accurate as possible. If the phone number is not correct, then we can't get in touch with you.
4. It is important that you fill out the entry form completely. If not, then your team could be placed in a time slot or on a day that is not convenient for your team.
