

Ways to Locate Off-Campus Housing

1. Pick up the free Apartment Guide (booklet with many apt listings) on the 3rd floor of the University Union. Apartment Guides are in the display rack next to the Information Desk (next to Wells Fargo) and are also available online at: www.collegeapartmentguide.com
2. Look on bulletin boards in the University Union (2nd Floor) and on the large bulletin board outside (in front of the University Union). There you can find flyers posted of available off-campus housing.
3. When on-line, you can visit www.och101.com/unt for posted ads on available leases.
