Professional Organizations

American Council for Drug Education (<http://www.acde.org/>)

The American Council for Drug Education is a substance abuse prevention and education agency that develops programs and materials based on the most current scientific research on drug use and its impact on society.

National Council on Alcoholism and Drug Dependence (<http://www.ncadd.org/>)

Founded in 1944 by Mrs. Marty Mann, a pioneer in the alcoholism field, the National Council on Alcoholism and Drug Dependence, Inc. (NCADD) provides education, information, help, and hope to the public. It advocates prevention, intervention, and treatment through a nationwide network of Affiliates. In addition, NCADD operates a toll-free Hope Line (800-NCA-CALL) for information and referral and a National Intervention Network (800-654-HOPE) to educate and assist the families and friends of addicted persons.
