*The insights you will gain from the proven wisdom of these shining lights of our community can instantly translate into a new perspective and better choices in every area of your life!*

*From corporate culture to the U.S. military to governmental politics to public education, the individuals featured in the 2007-2008 Leadership Series have found the principles that make for success. Not only that, they have tested these principles in the context of business and personal life, and now want to 'give back' to others.*

*Don't let this opportunity pass by! It may be the one thing that helps put your life on a path of great purpose.*
