I request that the University of North Texas not consider any of my college academic records on work that I enrolled for which was earned 5 or more years ago.

I understand that this is my option under Section 51.931, Texas Education Code. I further understand that with my election to apply under the provisions of this law and my admission as a student under this law, I may not receive any course credit in transfer or toward degree requirements for courses undertaken 5 or more years prior to enrollment under that section.

I also understand that I **can** claim exemption from the Texas Success Initiative (TSI) on the basis of hours I elect to exclude under Section 51.931 Texas Education Code.
