UNIVERSITY OF NORTH TEXAS®
FALL COMMENCEMENT

ABOUT THE UNIVERSITY OF NORTH TEXAS

Established in 1890, the University of North Texas is a place where students transform their lives through education and opportunity. Today, more than 44,000 students from across the state, nation, and world are fulfilling their dreams of an excellent educational experience. They choose from 242 academic programs — many nationally and internationally recognized — to pursue their goals of becoming teachers, artists, engineers, and everything in between. At UNT, students and their success is our top priority.

Ranked a Tier One research university and designated a Hispanic- and Minority-Serving Institution, UNT has a long legacy of excellence in education, music, the arts, business, and social sciences with growing strengths in science and engineering. Students and faculty earn top awards for their academic, research, and civic achievements. *The Princeton Review* continually names UNT as a Best in the Southwest school and Forbes has listed UNT as one of America's Top Colleges for 18 consecutive years.

UNT, the flagship of the UNT System, is one of the nation's largest public research universities and Dallas-Fort Worth's most dynamic university. UNT alumni and faculty fuel the intellectual and economic vitality of one of the most innovative, fastest-growing regions in the United States.

UNT students earn more than 13,000 degrees each year and fly the nest with the knowledge and skills to succeed in work and in life. They have joined our network of 480,000 alumni to become the leaders, doers, and thinkers who sustain the workforce and drive progress and innovation. UNT's ultimate mission is to help its students, the North Texas region, the state of Texas, and the nation excel.

GLORY TO THE GREEN AND WHITE

Singing glory to the green, singing glory to the white,
For we know our university is striving for the right.
Down the corridor of years we'll forget the joys and tears,
But North Texas, North Texas, we love!

Our alma mater, *Glory to the Green and White*, was written by two students and adopted in 1922. The words were written by Charles Langford (1902-1931), who attended from 1920 to 1923 and was a baseball and football star who became a yell leader after he was sidelined by an injury. The music was composed by Julia Smith (1905-1989), who earned her degree from the college in 1924 and played saxophone in the band. Known for her musical abilities, she gained national fame as a composer and concert pianist.

NORTH TEXAN

UNT's newest graduates join ranks with more than 480,000 alumni who make their mark across North Texas, the state, the nation, and beyond as they transform the world around them. UNT's alumni magazine, the *North Texan*, shares their fascinating stories of triumph and helps UNT alumni and friends stay connected to the university by keeping them updated on what's happening on campus and within our community.

CONGRATULATIONS FROM PRESIDENT HARRISON KELLER, PH.D.

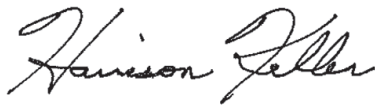

Today, we celebrate your hard work, determination, and resilience. Earning a degree is an incredible achievement, and you should take immense pride in all you have accomplished.

As a UNT student, you have gained knowledge, skills, and adaptability to thrive in a rapidly changing world. You've developed your critical thinking and fostered curiosity for lifelong learning. The experiences you gained and the connections you built will last a lifetime. The world needs your talent, ingenuity, and dedication, and there's no limit to how far you can take your talents.

As you cross the stage today, you join a distinguished group of more than 480,000 alumni who are making an impact in their communities and the world. I encourage you to stay connected by continuing to attend events on campus, becoming a mentor, and taking full advantage of all the UNT Alumni Association has to offer.

Congratulations once again! Be proud of your accomplishments and excited for the road ahead. I can't wait to see you soar higher.

Go Mean Green!

Harrison Keller, Ph.D.
UNT President

UNT REGALIA

Regalia traditions are beloved and timeless, and they span decades. Donning regalia reflects the dedication each person has shown to their field and the love they have for their alma mater. The custom of recognizing the accomplishments of scholars through distinctive dress, color, and ceremony began in the Middle Ages and has been adopted by various academic institutions throughout the world. American academic regalia developed from the English traditions originated at the University of Cambridge and Oxford and has been in continuous use since Colonial times.

Institutions of higher learning in the United States have adopted a system for identifying different academic degrees by use of specific gowns, hoods and colors. The baccalaureate (bachelor's) gown is identified by long pointed sleeves. The master's gown has a very long sleeve, closed at the bottom, and the wearer's arm is placed through an opening in the front of the sleeve. Master's gowns also are distinguished by green panels down the front of the gown. Doctoral gowns are distinguished by velvet panels around the neck and down the front of the gown. Three horizontal velvet bars on each sleeve also mark the doctorate.

The colorful hoods worn by master's and doctoral graduates represent the specific degree earned and the degree granting institution. Hoods for UNT are distinguished by a kelly-green-and-white chevron lining. The outside edge of the hood is bordered in a band of velvet that signifies the degree received.

Among the degree colors are:

- | | |
|---------------------------------------|---------------------------------------|
| • White: Arts, Letters and Humanities | • Crimson/Red: Journalism |
| • Dark Green: Audiology | • Pink: Music |
| • Light Brown: Business | • Royal Blue: Philosophy |
| • Light Blue: Education | • Peacock Blue: Public Administration |
| • Orange: Engineering | • Gold: Science |
| • Brown: Fine Arts | • Citron: Social Work |

The regalia worn by the deans and faculty members reflects distinguishing customs from the universities from which they earned their degrees. Regalia worn by members of the President's Cabinet, the president, UNT System regents and the chancellor represent UNT.

ADORNMENTS

Several groups recognize their members and their achievements with the use of distinctive ribbons, pins, stoles, cords or pendants. These include honor societies that recognize academic excellence and promote scholarship, ethics and professionalism. Others are recognized as international students, first-generation students, veterans, those who have completed service or volunteer hour requirements, study abroad participants, fraternities and sororities, Eagle Ambassadors and Latin Honors, among others.
