UNIVERSITY OF NORTH TEXAS®
SPRING COMMENCEMENT

ABOUT THE UNIVERSITY OF NORTH TEXAS

Established in 1890, the University of North Texas is a place where students transform their lives through education and opportunity. Today, more than 44,000 students from across the state, nation, and world are fulfilling their dreams of an excellent educational experience. They choose from nationally and internationally recognized academic programs to pursue their goals of becoming teachers, artists, engineers, and everything in between. At UNT, students and their success is our top priority.

Ranked a Tier One research university and designated a Hispanic- and Minority-Serving Institution, UNT has a long legacy of excellence in education, music, the arts, business, and social sciences with growing strengths in science and engineering. Students and faculty earn top awards for their academic, research, and civic achievements. *The Princeton Review* continually names UNT as a Best in the Southwest school and *Forbes* has listed UNT as one of America's Top Colleges for 17 consecutive years.

UNT, the flagship of the UNT System, is one of the nation's largest public research universities and Dallas-Fort Worth's most dynamic university. UNT alumni and faculty fuel the intellectual and economic vitality of one of the most innovative, fastest-growing regions in the United States.

UNT students earn nearly 13,000 degrees each year and leave the nest with the knowledge and skills to succeed in work and in life. They have joined our network of 480,000 alumni to become the leaders, doers, and thinkers who sustain the workforce and drive progress and innovation. UNT's ultimate mission is to help its students, the North Texas region, the state of Texas, and the nation excel.

GLORY TO THE GREEN AND WHITE

Singing glory to the green, singing glory to the white,
For we know our university is striving for the right.
Down the corridor of years we'll forget the joys and tears,
But North Texas, North Texas, we love!

Our alma mater, *Glory to the Green and White*, was written by two students and adopted in 1922. The words were written by Charles Langford (1902-1931), who attended from 1920 to 1923 and was a baseball and football star who became a yell leader after he was sidelined by an injury. The music was composed by Julia Smith (1905-1989), who earned her degree from the college in 1924 and played saxophone in the band. Known for her musical abilities, she gained national fame as a composer and concert pianist.

NORTH TEXAN

UNT's newest graduates join ranks with more than 480,000 alumni who make their mark across North Texas, the state, the nation and beyond as they transform the world around them. UNT's alumni magazine, the *North Texan*, shares their fascinating stories of triumph and helps UNT alumni and friends stay connected to the university by keeping them updated on what's happening on campus and within our community.

Congratulations from President Harrison Keller, Ph.D.

To our graduates, today we celebrate your hard work, determination, and resilience! Earning a degree is a tremendous achievement, and you should take immense pride in all you have accomplished at UNT.

As a UNT student, you have gained knowledge, skills, and adaptability that will help you thrive in a rapidly changing world. You have developed your critical thinking and problem solving skills and fostered curiosity that will serve you well for lifelong learning. The experiences you gained and connections you made at UNT will last a lifetime. The world needs your talent, ingenuity, and dedication, and there's no limit to how far you can take your talents.

As you cross the stage today, you join a distinguished group of more than 480,000 alumni who are making an impact in their communities and the world. I encourage you to stay connected by continuing to attend events on our campuses, sharing your insights with current students by becoming a mentor, and taking full advantage of all the UNT Alumni Association has to offer.

Congratulations once again. We are so proud of your accomplishments at UNT and look forward to celebrating your future achievements!

Go Mean Green!

Harrison Keller, Ph.D.
UNT President

CONGRATS, GRADUATES!

Your time at UNT doesn't end at commencement — it's just the beginning.

As a proud Mean Green alum, you're part of a powerful network of more than 480,000 alumni making an impact worldwide. The UNT Alumni Association keeps you connected to opportunities, friendships and the university that shaped your future.

Start with the **North Texas Network**, our exclusive online community for alumni. From career connections and mentorship to events and lifelong UNT pride, this is where it all begins.

As a recent graduate, you're also part of **GOLD (Graduates of the Last Decade)** — a community built to support you as you launch your career and grow your Mean Green connections.
