**Account Balance will reflect your Anticipated Aid for the term.**

A screenshot of the 'Account Balance' page in the mobile application. The page has a green header with a back arrow and a menu icon. Below the header, a yellow highlighted message states: 'Your anticipated financial aid is equal to your balance due. No action is required.' Below this message are two blue buttons: 'View Term Summaries' and 'Manage UNT Refund Choices'. A table follows, showing the breakdown of charges and aid for the 2024 Spring term. The table has four columns: 'Term', 'Charges & Deposits', 'Anticipated Aid', and 'Account Balance'. The data shows that for the 2024 Spring term, charges are \$3,300.00 and anticipated aid is also \$3,300.00, resulting in a zero account balance. A 'Total' row at the bottom confirms these figures. At the bottom of the page, there is a text block providing support information.

**Account Balance**

Your anticipated financial aid is equal to your balance due. No action is required.
